Dear Lowe's Ferry Property Owners:

As another year comes to an end Lowe's Ferry has seen a great deal of activity. We've seen 6 homes completed and families in, 8 homes under construction, 6 more plans approved or in the review process and several lots sold and divided between homeowners. All of this activity has come with the usual minor issues that your Board has to deal with on a regular basis.

The Board wishes to remind everyone:

WANTED:

Effective the end of Feb 2020, a seat on the Board will be open as well as a seat on the ARC.
